Dear Neil,

Greetings! Its been quite a while. I hope you and your family are in good health. My apologies if I have caught you at the wrong moment. I called you a few times. At present I am applying for the Andy Warhol Scholarship in Painting at the New York Academy of Art. Mr. Leon Golub, the Master painter, has agreed to write me a letter of recommendation but I need other letters as well. I would appreciate it very much if you could talk with your friend the painter Mr. Larry Rivers, who did the book cover for the Musicians Story, by Mr. John C. Holmes. I have asked Lucy Jarvis, an old friend, if should get her friend the artist Mr. Robert Rauschenberg, to add his letter.

I have included photo copies of my sculptures and some other information so that the people whom I am asking letters from can get an idea of my work during the last 30 years.

Your assistance in this matter would be very much appreciated.

If you need to discuss this matter further, please call me in the evenind at, 212-410-7797, or 212-410-7798.

Thanking you in anticipation.

Peace.

The Struggle Continues.

Dumile Feni.
