

enclosed is his picture together with his mother. i love him. they are still in england and will join me here once i have moved into a house as i still share a room within a family. i look forward to the time they join me as i think i will enjoy a family situation. q.

have heard from allan study who is now in california making movies. his address is as follows: ALLAN STURDY

127 LAVINIA COURT

Telephone (415) 376-7152 ORINDA

CALIFORNIA 94563

do get in touch with him as i am sure he will love to hear from you. i have given him your address and telephone number - so, expect to hear from him. he is a brother to me.

ok mhlaba. i will write again. one part of me wants to be in new york. another part wants to remain here. right now, the part that is about the african being dominates, thus i am here and will be here for a while. love you and hope you write soon. i send you smiles and some strength which comes from the HUMANENESS of our people. they are still very beautiful despite the blunders. i love you. ozi:
